Physio-Control warrants neither error-free nor interruption-free performance. The sole and exclusive remedy under this Limited Warranty is repair or replacement of defective material or workmanship at the option of Physio-Control. To qualify for the repair or replacement, the product must have been continuously owned by the First Owner and not have been repaired or altered outside of a Physio-Control authorized facility in any way which, in the judgment of Physio-Control, affects its stability and reliability. The product must have been used in accordance with applicable operating instructions and in the intended environment or setting. The product must not have been subjected to misuse, abuse or accident.

Warranty service will be provided by Physio-Control at either the Purchaser's facility (based upon the customer's proximity and at the discretion of Physio-Control) during normal business hours or at a Physio-Control service location. For products shipped to a Physio-Control service location, all products and/or assemblies requiring warranty service should be sent freight prepaid, and must be accompanied by a written, detailed explanation of the claimed failure. Products repaired or replaced under this warranty retain the remaining warranty period of the repaired or replaced Product.

Except for the Limited Warranty provided above, PHYSIO-CONTROL MAKES NO WARRANTY, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHETHER ARISING FROM STATUTE, COMMON LAW, CUSTOMER OR OTHERWISE.
